Cheat Sheet # 5 – Turning Chains – US terms

Turning chains required
for each basic stitch

Single crochet -works
1st stitch in 2nd chain
from the hook

Half double crochet
crochet - works 1st stitch
in 3rd chain from the hook

Double crochet - works
1st stitch in 4th chain from
the hook

Treble crochet - works 1st
stitch in 5th chain from
the hook

Treble crochet - works 1st
stitch in 5th chain from
the hook

This diagram represents height of the basic stitches against the chains. This determines the turning chain you need to work at the beginning of each row.

It can also be referred for, which chain to work into when working the 1st stitch in foundation chain.
